July 29, 2024

Dear Members:

ACTRA Manitoba hosted our bi-annual Awards Gala in 2022, honouring you, our members, as well as industry professionals. Megan Best, Summer Howell, Chelsey Mark, Paul Essiembre, Adam Hurtig, Charis Ann Wiens and Rick Skene all received awards for their “Most Outstanding Performances”. *Cartel Pictures Canada* received the ACTRA Manitoba Award for their commitment to Manitoba performers and *Liz Jarvis* received the Wayne Nicklas Award for her outstanding contribution to Manitoba’s Film and Television industry. It was a great celebration, and we’re doing it again!

Our next Awards Gala is on Saturday, November 23, 2024 at the Canadian Museum for Human Rights. This year, nominated performances will be coming from productions released or first screened in 2022 or 2023.

## **OPEN FOR SUBMISSIONS.**

Please consider the most outstanding performances by yourself or your fellow members (ACTRA Manitoba Members) in a short production, movie or TV episode released or screened for the first time in 2022 or 2023.

You may submit up to three (3) PRINCIPAL performances in any category (listed below) per production, free of charge. [Submissions must be sent using the form found here](#). The performer needs to be contracted in the production as a Principal or upgraded to Principal.

An eligible performance is one within a production released in the eligible time frame by a Member of ACTRA Manitoba in good-standing at the time of submission and in good-standing at the time of production. Performances may also be submitted by Manitoba Members who were in productions produced in other jurisdictions and released in the qualifying time period.

ACTRA Manitoba reserves the right to modify the nature and quantity of Awards after the submission deadline passes.
